

Combi Station

All-in-one

Friulinox

Friulinox

Combi Station

Combi Station: for every event and for every location.

It is the new all-in-one appliance produced by Friulinox that satisfies every catering need. Its unique strength lies in its practical, and easy to handle, **refrigerated** drawers for semi-finished or finished foods, and in its **heated** drawers that keep products warm and ready for service.

In combination with the Hi-Speed OX oven, it becomes a convenient and practical finishing and service terminal for any type of event, both outdoors or indoors, without the need for a kitchen.

Ideal for every need

Model	Dimensions (L x P x H mm)	Cooling power (W)	Cooling Temperature Range	Heating power (W)	Heating Temperature Range	Total electrical power (W)	Consumption (A)	Power supply voltage *
CS22	1500 x 700 x 852	362	-2 °C ÷ +8 °C	1000	+30 °C ÷ +85 °C	1300	7	1N AC 230 V - 50 Hz

* special voltages and frequencies available on request
