

Scotsman Ice Making Equipment

Accessory & Consumable List (May 2023)

As well as the full range of ‘Scotsman’ ice making equipment being made available from the UK distributor, **Hubbard Systems**, there are also a range of accessories and consumables to help compliment any installation & aftercare of an ice machine in order to regularly maintain its expected clean hygienic state. Remember that ice is considered a food product!!!!

NOTE – Any descaling/sanitising fluids should be used with the manufacturers suggested cleaning instructions, available upon request. MSDS sheets are available for any fluids listed below and supplied with the appropriate product.

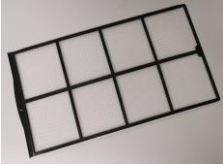

<u>Accessory:</u>	<u>Supplier Code & Description:</u>	Cost: <i>(LIST PRICES)</i> <i>Unless stated</i>
	XP170 – 0.75m Ice Machine Water Inlet Hose (WRAS Approved)	£14.50
	XP171 – 1.5m Ice Machine Water Inlet Hose (WRAS Approved)	£22.40
	XP185 – 1.0m Stainless Steel 'PEX' Type Water Inlet Hose (WRAS Approved for use in Extreme Hygienic Installations)	£38.76
	XP194 – 1.5m Ice Machine Water Inlet Hose c/w NRV Valve (WRAS Approved)	£27.14
	060513-01 – 1.5m length, 20mm ID, Ice Machine Drain hose	£21.00
	060513-02 – 2.5m length, 20mm ID, Ice Machine Drain hose	£22.50
	ICE0109 – ‘Backflow Prevention’ TUN Dish adaptor kit (Further details on request)	£56.00
	650071-00 - Small Ice Machine Scoop (Suitable for all Ice Machines)	£16.40
	02-0540-00 - Large Ice Machine Scoop (Suitable for all Modular Ice Machine/Storage bin arrangement)	£18.00

	<p>XP197 - Condensate Pump Kit – 2 Litre Tank (Supplied with 6metres of Tubing & Fittings)</p>	<p>£173.00</p>
	<p>EST010-FRAMEASSEMBLY (Self assembly frame. 600mm high, suitable for AC/EC/AF/EF range of cubers)</p>	<p>£242.00</p>
	<p>AP3-S Water Filter Kit (Filter Head, Filter, Inlet hose & adaptors) (Suitable for AC/EC 46/56/47/57, AF80, Ice machines)</p> <p>'Easy change' Replacement 'Cartridge' Available: 3M-7100017170</p>	<p>KIT: £189.00</p> <p>FILTER: £60.00</p>
	<p>HF20-S Water Filter Kit (Filter Head, Filter, Inlet hose & adaptors) (Suitable for AC/EC 86/87 – 176/177, AF103 Ice Machines)</p> <p>'Easy change' Replacement 'Cartridge' Available: 3M-7100017185</p>	<p>KIT: £306.00</p> <p>FILTER: £80.00</p>
	<p>HF40-S Water Filter Kit (Filter Head, Filter, Inlet hose & adaptors) (Suitable for AC/EC206/226, MXG327/328/427/428, MF26/36/46, AF124/156/206, MV306/426/456, NW307/308/508 Ice machines)</p> <p>'Easy change' Replacement 'Cartridge' Available: 3M-7100008238</p>	<p>KIT: £629.00</p> <p>FILTER: £163.00</p>
	<p>HF60-S Water Filter Kit (Filter Head, Filter, Inlet hose & adaptors) (Suitable for MXG438/638, MF56/66, MV606/806/1006, NW458/608/1008 Ice machines)</p> <p>'Easy change' Replacement 'Cartridge' Available: 3M-700001752</p>	<p>KIT: £689.00</p> <p>FILTER: £230.00</p>
	<p>AQU-I500-KIT - WATER FILTER KIT - I500 (Filter Head, Filter, Inlet hose & adaptors) (Suitable for AC/EC 46/56/47/57, AF80, Ice machines)</p> <p>'Easy change' Replacement 'Cartridge' Available: AQU-EV961224</p>	<p>KIT: £152.00</p> <p>FILTER: £80.40</p>
	<p>AQU-2FC-S-KIT - WATER FILTER KIT - 2FC-S (Filter Head, Filter, Inlet hose & adaptors) (Suitable for AC/EC 86/87 – 176/177, AF103 Ice Machines)</p> <p>'Easy change' Replacement 'Cartridge' Available: AQU-EV969176</p>	<p>KIT: £306.00</p> <p>FILTER: £227.69</p>

	<p>AQU-4FC-S - WATER FILTER KIT - 4FC-S (Filter Head, Filter, Inlet hose & adaptors) (Suitable for AC/EC206/226, MXG327/328/427/428, MF26/36/46, AF124/156/206, MV306/426/456, NW307/308/508 Ice machines) 'Easy change' Replacement 'Cartridge' Available: AQU-EV969231</p>	<p>KIT: £689.00</p> <p>FILTER: £196.00</p>
	<p>AQU-75FC-S - WATER FILTER KIT - 7FC-S (Filter Head, Filter, Inlet hose & adaptors) (Suitable for MXG438/638, MF56/66, MV606/806/1006, NW458/608/1008 Ice machines) 'Easy change' Replacement 'Cartridge' Available: AQU-EV969271</p>	<p>KIT: £891.00</p> <p>FILTER: £305.44</p>
	<p>CH20160290 - Water Filter Head – 'By-pass' plug (For use with 3M-VH3 Filter Head)</p> <p># DISCOUNTS APPLY FOR BULK PURCHASE #</p>	<p>£25.00</p>
	<p>AQU-ACIKHUBB250 – High Capacity/Quality Water Filter Kit (Suitable for all Ice machines upto 40 kgs per 24 hours requiring a high quality water supply to also help reduce further mineral and slime build up – filters require changing on a 10 – 12 month timescale) 'Easy change' Replacement 'Cartridge' Available: AQU-EVUL250</p>	<p>KIT: £227.00</p> <p>FILTER: £206.20</p>
	<p>AQU-ACIKHUBB1000 – High Capacity/Quality Water Filter Kit (Suitable for all Ice machines between 40kgs & 120kgs per 24 hours requiring a high quality water supply to also help reduce further mineral and slime build up – filters require changing on a 10 – 12 month timescale) 'Easy change' Replacement 'Cartridge' Available: AQU-EVUL1000</p>	<p>KIT: £458.00</p> <p>FILTER: £310.65</p>
	<p>AQU-ACIKHUBB – High Capacity/Quality Water Filter Kit (Suitable for all Ice machines requiring a high quality water supply to also help reduce further mineral and slime build up – filters require changing on a 10 – 12 month timescale) 'Easy change' Replacement 'Cartridge' Available: AQU-EVUL2000</p>	<p>KIT: £891.00</p> <p>FILTER: £601.69</p>

	<p>ICE0107 - 3M-SG Reverse Osmosis Unit (Suitable for all Scotsman Ice Machines) Full specification available upon request. NOTE, a water booster pump may be required to produce a minimum working supply pressure Unit requires a PPM visit to the post filters etc every 2 years. Charges apply for the pre-filters etc – POA Including: CH20017995 – 10 Litre Auxillary Tank NOTE – External Aux Tank may be required for extra RO storage</p>	<p>£ POA</p> <p>INSTALL CHARGE: £ POA</p>
	<p>ICE0101 – 'DEMIN' Kit (Retrofit kit) (Suitable for AF/MF Ice flakers used on soft or De-Ionised water supply or where the water pressure could then fluctuate)</p>	<p>£110.00 NETT (+ Install Charge)</p>
	<p>HGR-0001 – DXN/TC180 – 700mm long, 'Bottle' style brush - (For cleaning of drain under drip tray of TC180 unit)</p> <p># DISCOUNTS WOULD APPLY FOR BULK PURCHASE #</p>	<p>£18.00</p>
	<p>3M-7100049729 – 'Ice Machine' Sanitising Cleaning System ('Dummy' External Water filter dosing system for sanitising water systems of ice machines – For use with VH3 Style Filter Heads)</p>	<p>£30.00</p>
	<p>AQU-NADL - AquaDosa Sanitiser Solution – 1 Litre (Dilution required before use, MSDS Sheet provided)</p>	<p>£38.00</p>
	<p>AQU-NAD65 - AquaDosa Sanitiser Solution – 5 Litre (Dilution required before use, MSDS sheet provided)</p>	<p>£127.00</p>

	<p>AQU-ADW200 - AquaDosa Sanitiser Pre-impregnated Wipes – Pack of 200 (MSDS sheet provided)</p>	<p>£25.90</p>
	<p>AQU-TEST1 - AquaDosa 'Test' strip (x50) For testing to ensure removal of AquaDosa solution following cleaning of a water system.</p>	<p>£53.50</p>
	<p>ICE-CLEAN-KIT1 – Ice Machine Descale/Sanitising Kit (Comprising of 1 Litre bottle of Descale fluid 19/0343-3B, 1 x Aquadosa Sanitising liquid AQU-NADL, 1 x Pack of 200 Wipes ADW200 & 1 x TEST strip along with MSDS sheets for products)</p>	<p>Pack Price £85.00 NETT</p>
	<p>19-0343-3A - Ice Machine 'Descaling' solution – 5 Litre (Dilution required, MSDS sheet provided)</p>	<p>£63.00</p>
	<p>19-0343-3B - Ice Machine 'Descaling' solution – 1 Litre (Dilution required, MSDS sheet provided)</p>	<p>£20.00</p>
	<p>650765-00 - TC180 – 'SINK' (Inset drip tray)</p>	<p>£87.48</p>
	<p>660675-00 - TC180 – 'DISPENSE SPOUT' (Twist/Turn easy fitting replacement item)</p>	<p>£45.00</p>
	<p>660805-00 – 'SLIDE IN - AIR FILTER' (For units AC/EC 46/47/56/57 – DXG35)</p>	<p>£33.00</p>

	660805-01 – ‘SLIDE IN - AIR FILTER’ (For units AC/EC 86/87/106/107 – AF/EF 124/134/156/206)	£33.00
	660805-02 – ‘SLIDE IN - AIR FILTER’ (For units AC/EC 126/127/176/177/206/226)	£36.00

- All pricing correct at time of assembly of this document, please verify purchase costs when placing any order

NOTE – Full ice machine cleaning instructions are available for all ‘Scotsman’ ice making products, please contact our Sales Office for further details or email any request/order to: spares@hubbardsystems.co.uk
